# The Company

**Since our establishment in 2002, our primary mission has revolved around sharing the exquisite flavours of Mediterranean food specialities with consumers worldwide.**

As the leading distributor of food products originating from this enchanting region, we take immense pride in our role as the exclusive suppliers of distinguished and market-leading brands like Argeta, Bambi, Brajlovic, Grand, Natura, Stark, Medela, Jaffa, Cockta, Illyria Group, Cedevita and Indomie.

Effective distribution lies at the core of our business, ensuring that we offer these exceptional brands under the most favourable market conditions. Our unwavering commitment to this value guarantees that we offer an exceptional service and unmatched value for our partners. We are thrilled to announce the commencement of a new and successful chapter with the establishment of Adriatic UK. This significant milestone enabled us to introduce our best-selling products to the British and Irish markets, expanding their catalogues with the finest Mediterranean delicacies.

Our extensive assortment of products includes: Ambient temperature, chilled, and deep-frozen items. With these products, you can elevate your customers' culinary experiences and convert occasional visitors into frequent and loyal customers.

We look forward to connecting with you, and discussing how our products can add value and give a competitive edge to your business.
